## **Psalms**

Note about Propers numbering below: in the *Revised Common Lectionary* Propers begins with the Sixth Sunday in Epiphany, excludes Sundays in Lent through Pentecost and Trinity Sunday, and resumes the Second Sunday after Pentecost, usually with Proper 4. Since the date of Easter is variable between March 22 and April 25, some Propers are not used in certain years. The Roman Catholic Lectionary and those based on it number the Propers differently.
